

## CONDITIONS OF ISSUE

This passport is the property of the Government of Zimbabwe and may be amended, withdrawn or cancelled at any time. The holder or bearer of this passport shall forthwith surrender the passport when so required by an authorized official.

This passport is liable to be impounded if-

- (a) it is found in the possession of an unauthorised person; or
- (b) it is mutilated in anyway; or
- (c) an amendment, endorsement or addition is made by any person other than a duly authorized official.

## INFORMATION FOR TRAVELLERS

Zimbabwe passports are issued or extended at the offices of the Chief Passport Officer, Harare, Bulawayo, Gweru, Mutare and Masvingo. An application for a passport by a Zimbabwe citizen whilst outside Zimbabwe should be made to the nearest representative of the Government of Zimbabwe. This passport is valid for all countries. Before entering any country the holder or bearer must obtain the necessary permission or visa which may be required by the authorities of that country as the possession of this passport does not exempt the holder or bearer from compliance with any immigration regulations in force in the countries for which this passport is valid.

## DUAL CITIZENSHIP

A Zimbabwe passport is normally issued only to a citizen of Zimbabwe. A citizen of Zimbabwe who is eighteen years or above may not be a citizen of any other country. A citizen of Zimbabwe who makes use of the passport of another Government commits an offence. For detailed information please contact the Office of the Registrar-General, Chief Passport Officer or the nearest Zimbabwean Embassy.

## CAUTION

This passport is a valuable document and should not be allowed to pass into the possession of an unauthorised person. Travellers are advised to retain their passports in their personal possession at all times, especially when in foreign countries. If the passport is lost or destroyed the fact should be reported immediately to the Chief Passport Officer, Harare or to the nearest representative of the Zimbabwe Government and, in addition, to the local police authorities. A new passport can be issued in such cases only after exhaustive inquiries have been made.
